

// AVAILABLE POSITION //

PROJECT MANAGER

Locally owned commercial general contractor, O'REILLY BUILD, is pleased to announce a full-time position for a Project Manager. Position includes a competitive salary and benefit package with health insurance, 401k and PTO. A production bonus is available. Travel is required.

PRIMARY FUNCTION

The construction Project Manager is responsible for overall direct field supervision of multiple projects, enforcing plans and specification requirements, ensuring production goals, craftsmanship standards, and safety protocols are met. The position interfaces with Top Tier Management, project Architect, and Owner's Representative to develop construction budgets, schedules, and completion procedures. Position will also entail soliciting qualified subcontractors and ensure that project is within budget and delivered on time. Project Manager will assist with management of clerical staff for project support, project estimating, and overall company policy and requirements are being met.

REQUIRED SKILLS

- Able to read and interpret blue prints
- Able to read and verify specification compliance
- Able to review and mark up shop drawing submittals
- Ability to interact with jurisdictional inspectors, Architects, Owners, and others as needed
- Able and interested in enforcement of written safety program

HOW TO APPLY

Submit your resume via email to Paula Thompson, Partner/Director of Operations:
